

# FOOD & BEVERAGE SERVICE

## CONFERENCE CENTER CATERING

For events that are held in our 1st floor conference center, we offer exclusive catering services by **Windows Catering Company's** Corporate Express division. We realize that businesses are looking for a caterer that offers a high quality product, is timely in their services and offers a variety of menu options.

Our corporate menu offers an assortment of creative items ranging from stuffed croissants and mouth-watering sandwiches to hearty, delicious entrées and sinfully amazing desserts. Any item on our menu can be specifically tailored to an individual's needs. And most importantly the quality of our food and service is unbeatable.

Windows Catering Company received a Certified Green Restaurant® distinction for their environmentally-friendly practices that include water efficiency, waste reduction and recycling, sustainable building materials, sustainable food, energy, disposable products and chemical and pollution reduction.
